3. *Calls upon* those States responsible to cease immediately their military intervention in and occupation of foreign countries and territories and all acts of repression, discrimination, exploitation and maltreatment, particularly the brutal and inhuman methods reportedly employed for the execution of those acts against the peoples concerned;

4. *Deplores* the plight of the millions of refugees and displaced persons who have been uprooted as a result of the aforementioned acts, and reaffirms their right to return to their homes voluntarily in safety and honour;

5. *Requests* the Commission on Human Rights to continue to give special attention to the violation of human rights, especially the right to self-determination, resulting from foreign military intervention, aggression or occupation;

6. *Requests* the Secretary-General to report on this question to the General Assembly at its fifty-fourth session under the item entitled "Right of peoples to self-determination".
